

OneHome AI Search Instructions for Clients

1 Click "Login"

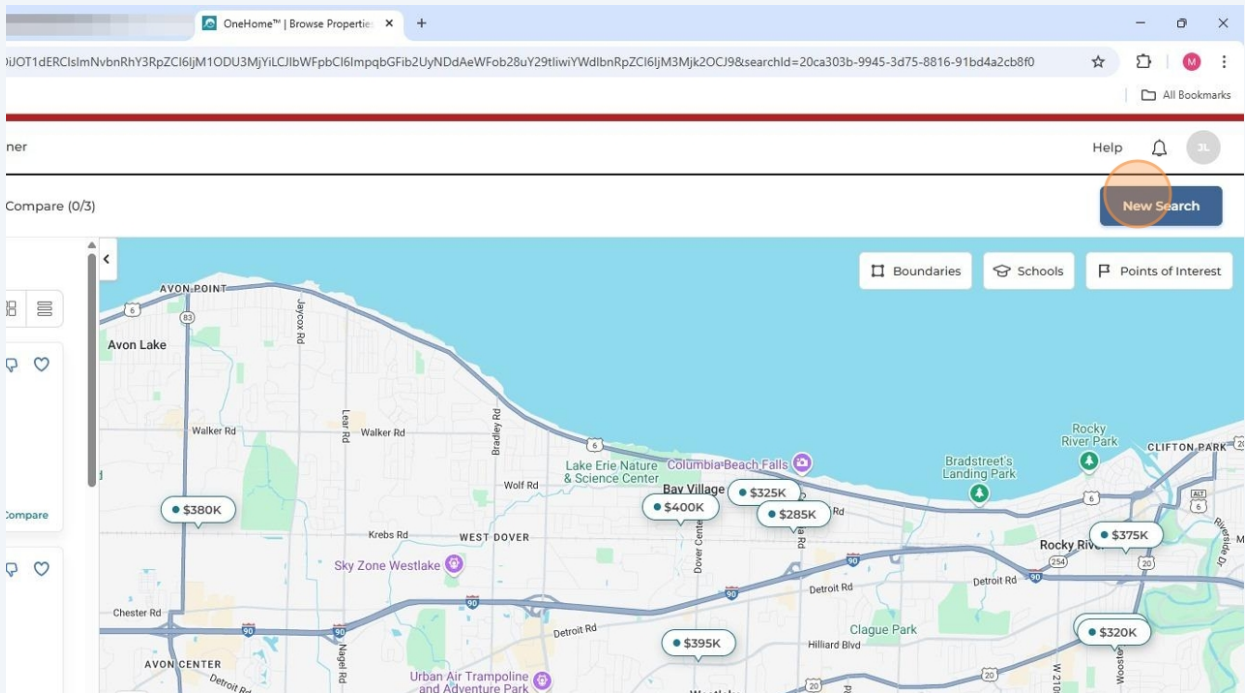

2

Your clients will then enter their login information from when they originally started their profile from their initial Auto Email.

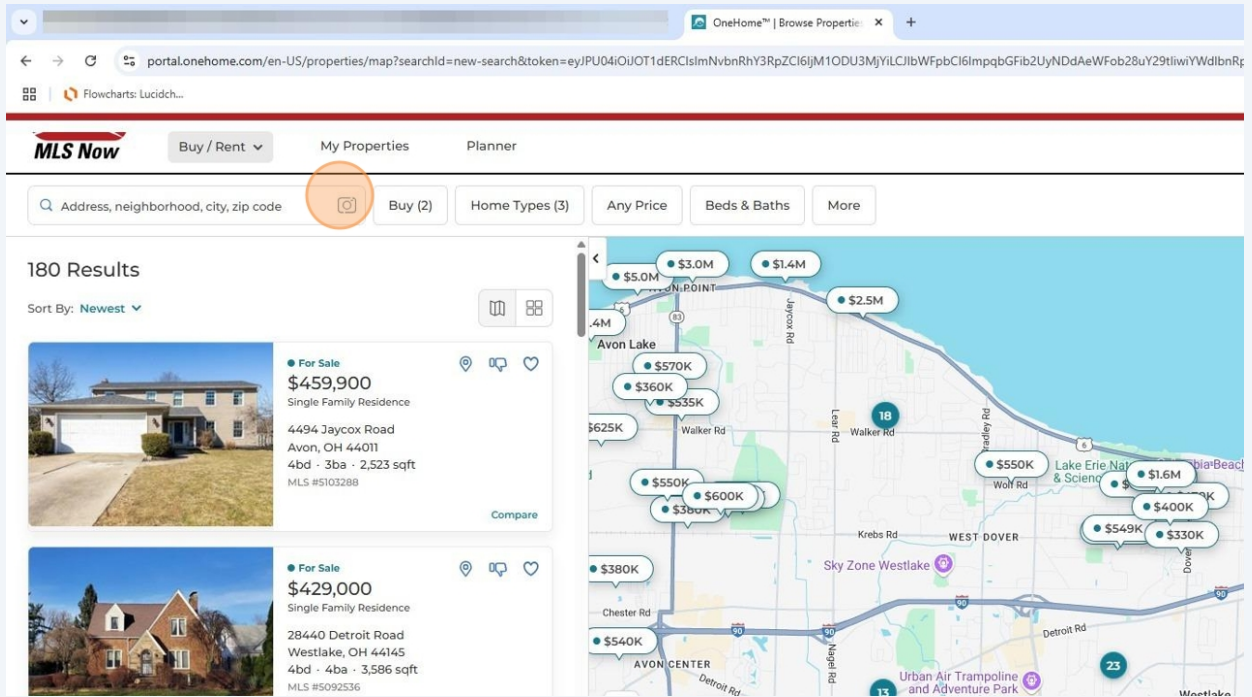

3

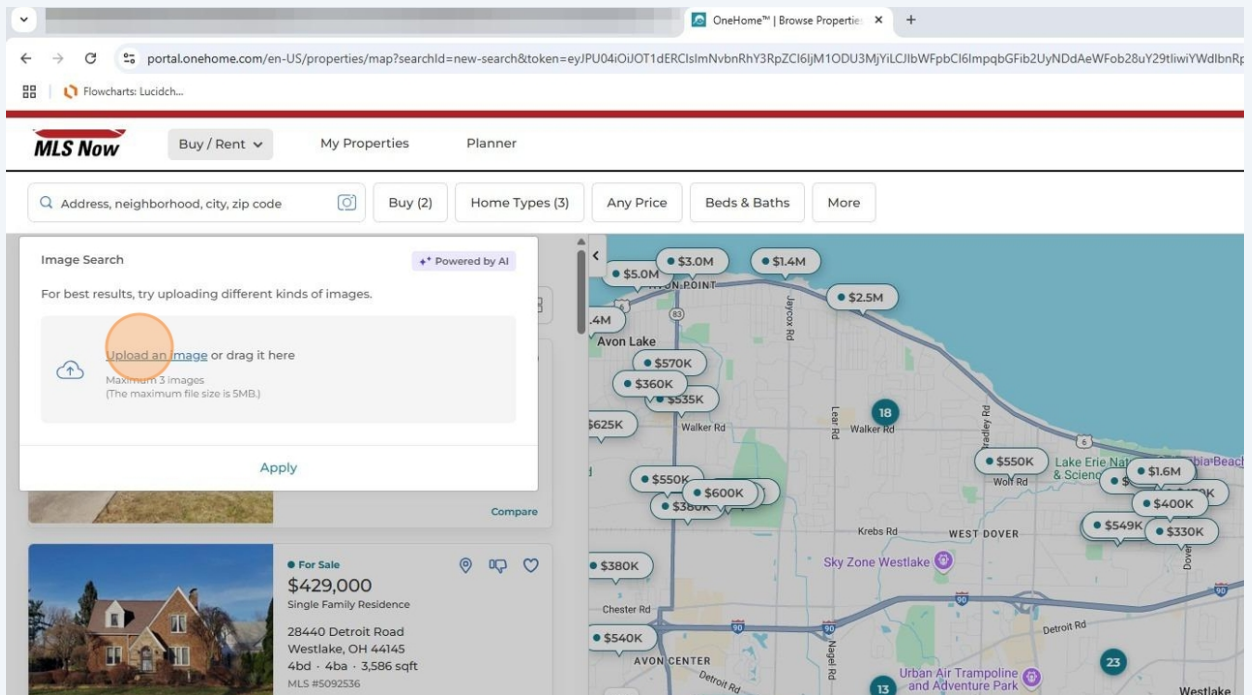

Click "New Search"

4 Click on the camera icon in the Address, neighborhood, city, zip, search field.

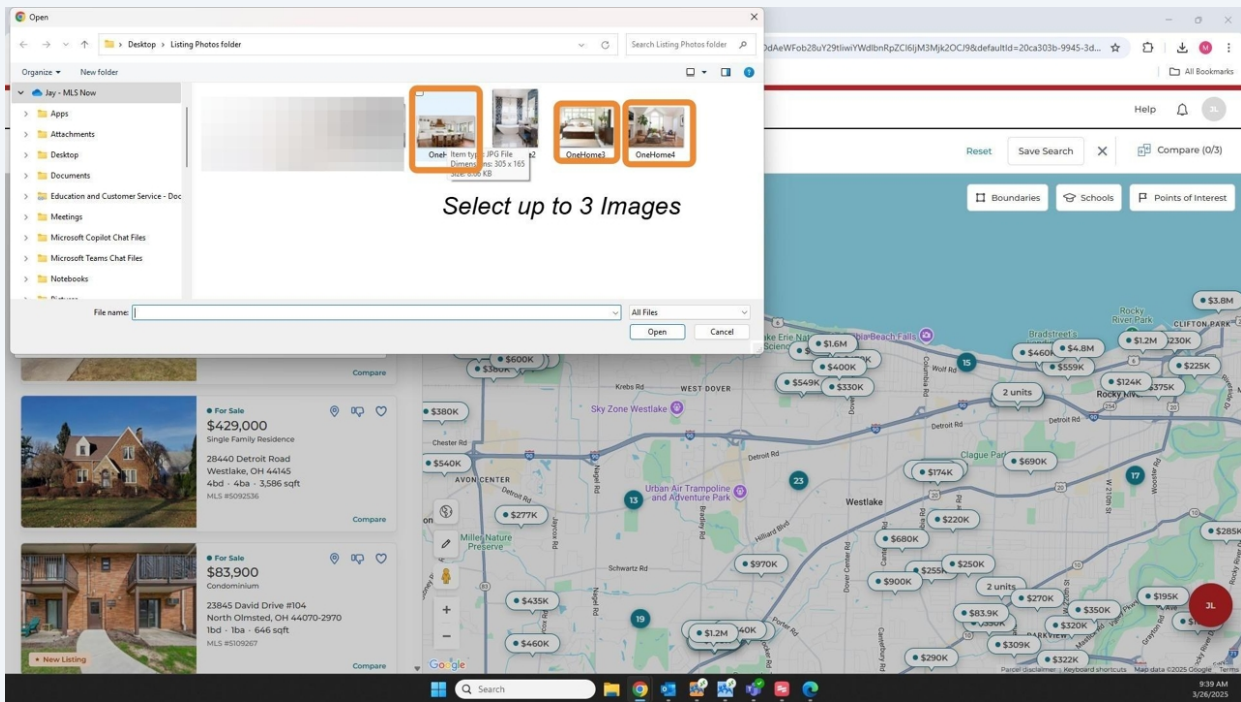

5 Click "Upload an image"

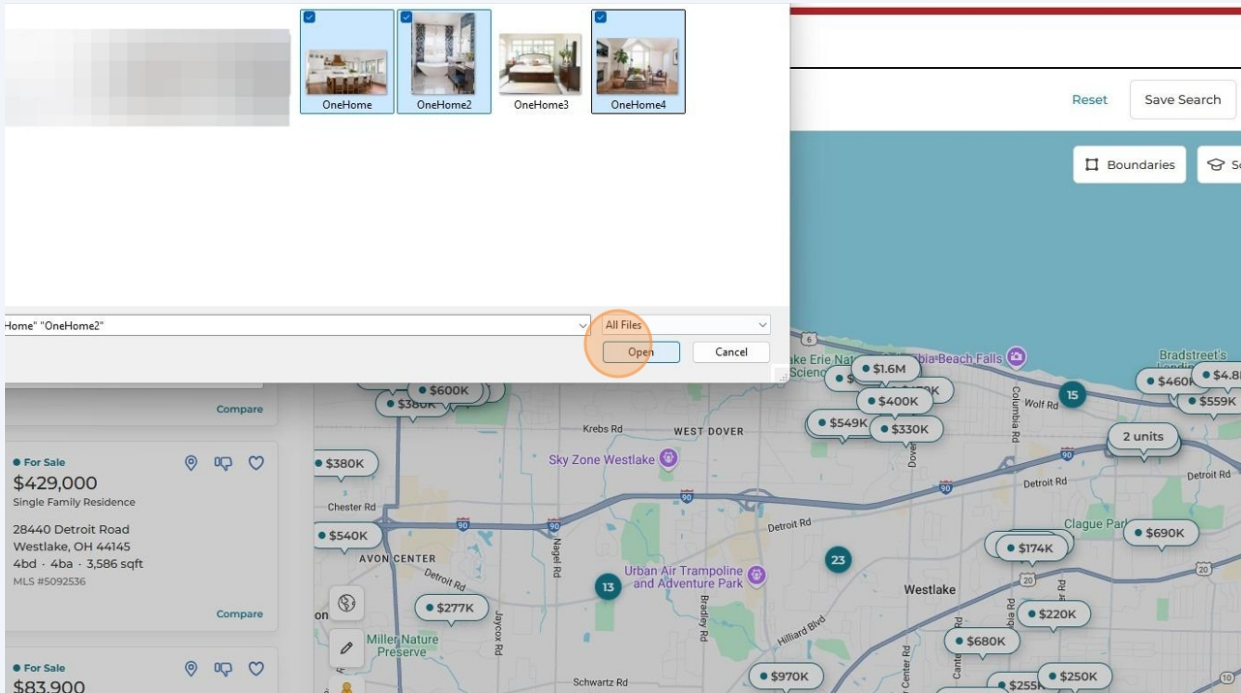

6

Your clients will need to find where they have their saved photos to select up to 3 interior or exterior photos of homes.

7

Click "Open"

8 Click "Apply"

For best results, try uploading different kinds of images.

Upload an image or drag it here
Maximum 3 images
(The maximum file size is 5MB.)
